Morepen strengthens integrated CDMO capabilities with first U.S. ANDA submission

Milestone advances Morepen's API-to-finished dosage development offering

- First U.S. ANDA submitted for Sitagliptin Tablets USP in three strengths
- Strengthens formulation, bioequivalence and regulatory dossier capabilities
- Supports specialized CDMO opportunities across regulated markets

Gurugram, 28th September 2026:

Sitagliptin Tablets USP in 25 mg, 50 mg and 100 mg strengths

specialized CDMO assignments
spanning API development, finished dosage formulation and regulatory submission

Mr. Sanjay Suri, Managing Director, Morepen Laboratories Limited *“Capability building is central to Morepen's next phase of growth. Our first ANDA submission brings together the scientific, manufacturing and regulatory skills needed to take an API through finished dosage development to a U.S. filing.”*

Mr. Suri *“Alongside our planned Innovation Hub and investments in advanced chemistry and technology, this milestone strengthens our ability to undertake specialized CDMO assignments and build long-term development partnerships.”*
